Between Five and Six Hundred Col. ored Pupils in Attendance, and the Enterprise Declared to Be a Success-Mr. Cardozo and His Staff.

The Stevens Summer School for Colored Children was visited by Commissioner Macfarland this morning. F. L. Cardozo, principal of the school, escorted Mr. Macfarland through the various class rooms and explained to him the methods in vogue at the institution. Mr of teachers and the pupils on the success of the school, Mr. Macfarland said:

"It seems to me that this vacation school has been a most successful experiment. It is now rather to be called a fully and even enthusiastically volunteered for this public service deserve the thanks of the community. They are doubtless richly rewarded by their own consciousness of having done a good thing well.

The masses of reineytown count control about \$8,000 or \$10,000 with which to erect a building. A committee was appointed consisting of Dr. A. M. Ray, J. E. Shoemaker, and W. L. Conway to undertake the task.

and the learning of the school more in-teresting and attractive to those children. They have also, through the children, into come may come. It will be far better

'The summer school must have summer be so severe and stringent as in the winter school, but the work is not all play, the best sense, too, it is the education, drawing out or development of the child, which the summer school promotes. And the spirit of affection and enthusiasm in

This school is the first of its kind for colored children, established on similar lines to that for the white children known as the Greenleaf Summer School. instituted by its principal, Ray Riordan. Mr. Cardozo and his staff are volunteers. Between 500 and 600 pupils have been in attendance for the past five weeks. The school was opened for a six weeks' sesday, August 2. Nearly 1,000 pupils were admitted at the outset, there being about 650 girls and 350 boys. Some of the children attend the school from various far distant as Randall, Logan, etc.

There are now about twenty-one teachers, and at one time the staff contained thirty teachers. For the first three weeks the building, and another room in the basement had to be secured for the use

of the kindergarten class.

Classes in every grade from the kindergarten to and through the eighth grade are receiving instruction. In the beginning, the scope of instruction emphasized the bringing up of pupils in the studies in which they were deficient. Since then, ever, that aim is carried out only

of work, carried on at the common schools. Sewing, cooking, drawing, and music are taught to schoolsr of both sexes alike. Cooking is taught in the fourth, fifth, and sixth grades, an innovation, inasmuch as in the common schools, this is taught in all the seventh. Sewing is taught in all grades from and including the first to secure homesteads later on reliquish their claims.

The Government, it is said, would not sample for surprise if a number of those who are ago by Mr. Heurich. Several houses have been erected along the road on contiguation on the common schools, this is taught in all grades below the seventh. Sewing is taught in all grades from and including the first to the discussion.

Sailors' Union of the Pacific, four local unions of longshoremen, marine firement, the secure homesteads later on reliquish their claims.

The Government, it is said, would not smarter, the said, would not smartly and everyone seems to be entirely with a like the secure homesteads later on reliquish their claims.

The Government, it is said, would not smartly and everyone seems to be entirely with a like the secure homesteads later on reliquish their claims.

REJECT MR. HEURICH'S DEED, Tenleytown Masons Decline His Con-

ditions to a Gift. The William R. Singleton Lodge, F. A. M., of Tenleytown, has rejected a sit or its contemplated Masonic Hall, pref-ered by Christian Heurich, because of he latter's insistance that the deed of nveyanec should contain covenants ob ating the present trustees of the lodge ases in which Mr. Heurich should be di-

The reason assigned for the refusal, is that the site could not be accepted un-der the laws of the Grand Lodge of the District of Columbia.

The erection of the hall on the site of-

fered by Mr. Heurich would have greatly enhanced the value of his surrounding levtown, and it was with considerable regret that the lodge was impelled to refuse to accept it. The decision of the lodge reached at a recent stated meeting.

It appears that the lodge in April last concluded that Tenleytown Free Masonry should have a hall of its own, and a can a building. A committee was appointed consisting of Dr. A. M. Ray, J. E. Shoe-

well.

"They have made the hot weeks through which we have been passing better and happier for hundreds of calidren, and they have made the schoolhouse and the learning of the school more interesting and attractive to those children. and later signified his willingness to pre-sent the Masons with the lot. A deed was They have also, through the children, interested the parents, as probably they never were interested before, so that their influence has been far-reaching and effectual for good. I understand that more children applied than could be accommodiated than could be accommodiated than could be accommodiated to the course they all came of course they all came of course they all came of colleges. drawn up, to which both himself and Mrs.

heirs or assigns, sign all applications for everybody had so often referred to the ers, all of whom are non-union men, will them and far better for their homes, license to conduct or carry on the liquor or in the neighborhood of such conveyed real estate as may be owned or controlled by the said Christian Heurich, his heirs of evident satisfaction depicted on their of the central body that inasmuch as the or assigns, and will not object to, or oppose the granting or issuance of said li-cense; and that the said William R. Singleton Lodge, if the law in force shall require its consent to the granting of n such manner and such form as may be

required by law."

After consultation with Mr. Heurich a long. deed was drawn up by the lodge omitting entirely the objectionable restriction. This
Mr. Heurich refused to sign and the lodge thereupon drew up a deed obligat-ing its officers not to oppose Tenleytown applications for liquor licenses in which Mr. Heurich was interested. This, it is said, Mr. Heurich also refused to sign As a result of further consideration of the matter on the part of the lodge, the

man of the committee:

"Mr. Christian Heurich:
"Dear sir: I regret very much to inform you that the deed was not accepted by the William R. Singleton Lodge at our meeting, July 16, 1901, it being impossible to have done so under the laws of the Grand Lodge of District of Columbia.
"Again thanking you for the courresy you have extended to the committee when we called at your office.
"I am, very respectfully.
"ANTHONY, M. RAY, M. D.,
"Chairman of Committee."

The lot which Mr. Heurich proposed to with reference to those pupils who have donate to the lodge is valued at about failed to pass the High School examinaa most advantageous situation. Nearly In other grades now the object is to opposite is the only liquer saloon in town, give instruction in light industrial lines of work, carried on at the common trolled by Mr. Heurich. "he property is

## TO PROTECT PATENTEES.

Fraud Orders Issued Against E. F.

Barritt, of Boston. Fraud orders were issued by the Pos Office Department this morning against E. F. Barritt, No. 7 Water Street, Boston Mass. The scheme of this concern, it is alleged, consisted in representing to patentees that a purchaser has been found for their patent at a large price usually \$10,000, and that the prospective purchaser desires to examine claims and title. One dollar and seventy-five cents it is said, is usually solicited for procuring a certified copy of the claims and an abstract of title. After this money s sent by the patentee nothing further s heard from Barritt unless it is ar representation that the right to us the patent in Canada has also been sold ificate to be sent to the prospective pur chaser.

The evidence in the case was to the effect that Barritt did not deal in patents at all, but simply made false and fraudulent representations to obtain remittances of \$1.75 and \$2.

In Favor of H. H. Jones. Friends of H. H. Dan't Recome an Object of aver-Bon't Become an Object of aversion and pity. Cure your catarth, purify your breath, and stop the offensive discharges. Rev. -Dr. Bochror, of Buffaio, says: "My wife and I were both troubled with distressing catarrh, but we have enjoyed freedom from this aggravating malady since the day we first used Dr. Agnew's Catarrhal Powder. Its action was instantaneous, giving relief within ten minutes." Sold by F. S. Williams, Ninth and F Streets; Edmonds & Williams, Third Street and Pennsylvania Avenue.—IL

STAPLES—Departed this life, Tuesday, July 30, 1991, at 3:30 a. m., FRANK ALTON STAPLES, beloved intant of Annie B. and Fauntleroy M. Staples, aged 12 months and 6 days.

Dear, treasured playthings thrown away;

While at the door with longing eyes He watched for papa every day.

"Heaven retaineth now out treasure,
Earth the buely casket keeps,
And the sunbeams love to linger
Where our angel darling sleeps,"

-BY MAMA AND PAPA.
